

Di Pascali - O Maquinista

Tom: C

(Bm7/11 G/9)

As mãos sujas do maquinista
Viajam lentamente nas trilhas, na rua, nos trilhos da lua

Tudo é findo, muito perto
Rodas, vnis
Nada é certo

O trem voa paralelas verticais
Os garotos se jogam no bagageiro
Balançando de um lado para o outro (balaiando pra lá e pra cá)
Nas janelas do trem noturno
Na seqüência de curvas desertas

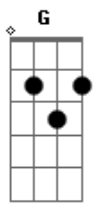

Ponte - Bm7 C7 Db Dm7

(Dm7 Dm7 Bb7)

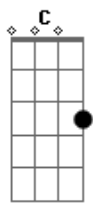

Senta, a mesa, a três
Arranja um arranjo
À fumaça do trem
Demorou dois meses pra mais
Suas cores frias e foscas
Pensamentos transitivos
Paráfrases estruturais
Táctil

O trem voa
Vias verticais
Vidas laterais
Vai a Maria
Voa a fumaça
Lá vai a fumaça, Maria
