

Dick Dale - Belo Horizonte

Tom: A

Can I tell you I love you
 On the words that I write
 I really want to hold you
 In my arms through the night
 You're so far away
 I long for your touch
 To hold and to kiss you
 Am I asking too much?

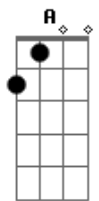

Oh my belo horizonte
 You're the only light I see
 My belo horizonte
 You're the only one for me
 Oh belo horizonte
 Please come back to me
 My heart cries belo belo
 You're the only one for me

Oh my belo
 Please come back to me
 Oh you know how I feel
 Please come back to me
