

Diddy-Dirty Money - Coming Home

tom: G I'm coming home D I'm coming home Tell the World I'm coming home Let the rain wash away all the pain of yesterday D I know my kingdom awaits and they've forgiven my mistakes I'm coming home, I'm coming home Tell the World I'm coming (G D Bm Gbm) Back where I belong I've never felt so strong eh Feeling like there's nothing that I can't try And if you feel me put your hands high, high, high, hey And if you feel me put your hands high, high, hey This is my story this is my song If you aint got the heart, don't attempt to try this at home It's just a poem from a man once living wrong Now I'm in the zone, tell the World I'm coming home Been a long time coming, been a long time coming This song feel like the greatest of all time coming Cause I do it B-I-G, I remember we would be high Who'd have thought we'd be running rap when we was knee high To appreciate the sun you gotta know what rain is Or cause I'm famous you don't gotta know what pain is But I bounce back, would ya look at that I take my spot at the top and I aint looking back I'm coming home

Tell the World I'm coming home Rm D Let the rain wash away all the pain of yesterday I know my kingdom awaits and they've forgiven my mistakes I'm coming home, I'm coming home Tell the World I'm coming (G D Bm Gbm) Hey, confusion like I was losing my mind But one thing I never lose is my grind My closet need a lot of cleaning now I can't sleep cause I dont like the sh-t I dream about Hey Dear Lord please help me get the demons out And then help me get my genius out And get back to what I had If my good's outweigh my bads, do you think my mistakes is gon even out (even out) I guess try and see, it's on my diary, I'm living for my kids Now they is just as fly as me Talk well, wonder if Andre Harrell knew how great I would be when he fired me I'm coming home D I'm coming home Rm Tell the World I'm coming home Let the rain wash away all the pain of yesterday Bm I know my kingdom awaits and they've forgiven my mistakes I'm coming home, I'm coming home Tell the World I'm coming

I'm coming home
