

# Dido - Don't leave home

Tom: D

like a ghost don't need a key  
 your best friend I've come to be  
 please don't think of getting up for me  
 you don't even need to speak  
 when I've been here for just one day  
 you'll already miss me when I go away  
 so close the blinds and shut the door  
 you won't need other friends anymore  
 oh don't leave home, oh don't leave home  
 and if you're cold, I'll keep you warm  
 if you're low, just hold on  
 'cos I will be your safety  
 oh don't leave home

and I arrived when you were weak  
 I'll make you weaker, like a child  
 now all your love you give to me  
 when your heart is all I need

oh don't leave home, oh don't leave home

oh don't leave home, oh don't leave home  
 and if you're cold, I'll keep you warm  
 if you're low, just hold on  
 'cos I will be your safety  
 oh don't leave home

oh how quiet, quiet the world can be  
 when it's just you and little me  
 everything is clear, everything is new  
 so you won't be leaving will you

and if you're cold, I'll keep you warm  
 if you're low, just hold on  
 'cos I will be your safety  
 oh don't leave home  
 I will be your safety  
 I will be your safety  
 I will be your safety  
 oh don't leave home
