

# Dido - Isobel

Tom: D

Bm Em Bm Em  
 I thought it was funny when you missed the train  
Bm Em Bm Gb  
 When I rang you at home, they said you'd left yesterday  
Bm Em Bm Em  
 I thought it was strange when your car was found  
Bm Em Bm Gb  
 By the tree in ennis where we used to hang around

Bm A Em  
 Dear Isobel, I hope you're well and that what you've done is right  
Bm A  
 Oh it's been such hell, I wish you well  
Em  
 I hope you're safe tonight  
D A Em

It's been a long day coming and long will it last  
D A Em  
 When it's last day leaving, and I'm helping it pass  
D A Em D  
 By loving you more

(Repete cifra do verso 1)  
 And who would he become, all the things he'd have done  
 Would he have loved you and not let you down?  
 And would he be stronger than his father?  
 Don't punish yourself; leave it well alone

(Repete cifra do refrão)  
 Dear Isobel, I hope you're well and what you've done is right  
 Oh it's been such hell, I wish you well  
 I hope you're safe tonight  
 It's been a long day coming and long will it last  
 When it's last day leaving, and I'm helping it pass  
 By loving you more
