

Dido - Isobel

Tom: D

I thought it was funny when you missed the train
 When I rang you at home, they said you'd left yesterday
 I thought it was strange when your car was found
 By the tree in ennis where we used to hang around

Dear Isobel, I hope you're well and that what you've done is right
 Oh it's been such hell, I wish you well
 I hope you're safe tonight

It's been a long day coming and long will it last
 When it's last day leaving, and I'm helping it pass
 By loving you more

(Repete cifra do verso 1)
 And who would he become, all the things he'd have done
 Would he have loved you and not let you down?
 And would he be stronger than his father?
 Don't punish yourself; leave it well alone

(Repete cifra do refrão)
 Dear Isobel, I hope you're well and what you've done is right
 Oh it's been such hell, I wish you well
 I hope you're safe tonight
 It's been a long day coming and long will it last
 When it's last day leaving, and I'm helping it pass
 By loving you more
