

# Dido - Look No Further

Tom: G

I might have been a singer  
 who sailed around the world  
 a gambler who wins millions  
 and spent it all on girls  
 I might have been a poet  
 who walked upon the moon  
 a scientist who would tell the world  
 I discovered something new  
 I might have loved a king  
 been the one to end a war  
 a criminal who drinks champagne  
 and never could be caught  
 PRE-REFRÃO  
 but among your books  
 among your clothes  
 among the noise and fuss  
 I've let it go

REFRÃO

I can't stop and catch my breath  
 and look no further, for happiness  
 and I will not turn again  
 cause my heart, has found it's home  
 Everyone I'll never meet  
 And the friends I won't now make  
 The adventures that there could have been  
 And the risks I'll never take  
 PRE-REFRÃO  
 but among your books  
 among your clothes  
 among the noise and fuss  
 I've let it go  
 REFRÃO  
 I can't stop and catch my breath  
 and look no further, for happiness  
 and I will not turn again  
 cause my heart, has found it's home
