

Dido - Paris

Tom: G
Intro: Em - B7 Em - B7

1. Coming back from Paris on the train,
I really didn't care if the journey took all day.
Tryin' to turn the pages of my magazine,
while tryin' to keep a hold of your hand.
And ordering a coffee that I wouldn't ever drink,
just to keep you and Paris on my mind.

Just to keep you and Paris on my mind,
I didn't know it would be the last time,
the last time I saw you.

2. At Waterloo we went our separate ways,
when I got in my cab I didn't turn and wave.
Didn't go to work, just went to bed,
tryin' to keep you and Paris on my mind.

Tryin' to keep you and Paris on my mind,
I didn't know it would be the last time,
the last time I saw you.

the last time I saw you.

I phoned your office this afternoon,
they said they hadn't heard anything from you.
It's been seven days without a word,
I have to keep you and Paris on my mind.

I have to keep you and Paris on my mind,
I didn't know it would be the last time,
the last time I saw you.

3. Going back to Paris on the train,
raining and without you it's not the same.
I have to do this journey one more time,
just to keep you and Paris on my mind.

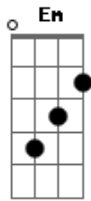

Just to keep you and Paris on my mind,
I didn't know it would be the last time,
the last time I saw you.

The last time I saw you. (3x) Em
