

# Dido - Paris

Tom: G  
Intro: Em - B7 Em - B7

1. Coming back from Paris on the train,  
I really didn't care if the journey took all day.  
Tryin' to turn the pages of my magazine,  
while tryin' to keep a hold of your hand.  
And ordering a coffee that I wouldn't ever drink,  
just to keep you and Paris on my mind.

Just to keep you and Paris on my mind,  
I didn't know it would be the last time,  
the last time I saw you.

2. At Waterloo we went our separate ways,  
when I got in my cab I didn't turn and wave.  
Didn't go to work, just went to bed,  
tryin' to keep you and Paris on my mind.

Tryin' to keep you and Paris on my mind,  
I didn't know it would be the last time,  
the last time I saw you.

the last time I saw you.

I phoned your office this afternoon,  
they said they hadn't heard anything from you.  
It's been seven days without a word,  
I have to keep you and Paris on my mind.

I have to keep you and Paris on my mind,  
I didn't know it would be the last time,  
the last time I saw you.

3. Going back to Paris on the train,  
raining and without you it's not the same.  
I have to do this journey one more time,  
just to keep you and Paris on my mind.

Just to keep you and Paris on my mind,  
I didn't know it would be the last time,  
the last time I saw you.

The last time I saw you. (3x) Em
