I'm coming (C) 'round to (D) open the (G) blinds
 you can't (C) hide in here (D) any (G) longer

 you can't (C) last here (D) any (G) longer
 (C) yes, they'll ask you where you've (D) been

and you'll (C) have to tell them (D) again and again
 and you (Em) probably don't (G) want to hear (C)
 is just another day
 but i (Am) promise you you'll see the again sun
 (D2) (D)
 and you're (Em) asking me why (G) pain is the only
 (C) way to happiness
 and I (Am) promise you you'll see the sun again
 (D2) (D)
