

# Dido - See You When You're 40

Tom: **D**  
Intro: **Bm**

**Bm**  
I've driven round in circles for three hours  
it was bound to happen that I'd up at yours  
I temporarily forgot that there's better days to come  
I thought that I would give you just one more chance

**Em7** **D**  
cos I want, tonight, what I've been waiting for  
**Em7** **D**  
but I found, tonight, what I'd been warned about

**Bm**  
you think you are complicated, deep mystery to all  
well it's taken me a while to see, you're not so special  
all energy no meaning, with a lot of words  
so paper thin that one real feeling could knock you down

**Em7** **D**  
and I've seen, tonight, what I'd been warned about  
**Em7** **D**

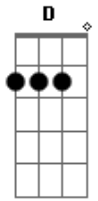

I'm gonna leave, tonight, before I change my mind

**Bm**  
so see you when you're 40, lost and all alone  
being comforted by strangers you'll never need to know  
not sad because you lost me  
but sad because you thought it was cool to be sad

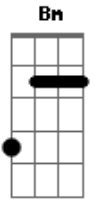

**Bm**  
you think misery will make you stand out from the crowd  
well if you had walked past me today  
I wouldn't have picked you out  
I wouldn't have picked you out

**Em7** **D**  
now I've seen, tonight, how could I waste my time  
**Em7** **D**  
and I'll be on my way and I won't be back  
**Em7** **D**  
cos I've seen, tonight, what I've been warned about  
**Em7** **D**  
you're just a boy, not a man, and I'm not coming back
