(G C) 4x

Entre fotos e memórias
 Eu me escondo, eu desvaneço
 E nem sei onde me achar.
 As paredes que me cercam
 E me isolam deste mundo
 Só explicam o que eu sei.

Há paz,
 há pedra
 Em meus olhos já tão cegos
 A paz
 se entrega
 Diante do que vê
 Do fim

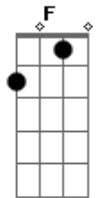

Enxerga
 Meu escurecer...
 Meu escurecer.
 Peço chuva, peço frio
 Pra acalmar meu coração
 O destino não me ouviu.
 Ajoelho em oração
 Rogo paz e remissão
 Com minha alma eu escutei.
 E aquele lugar
 Distante daqui?
 Eu sinto, é real
 Pois vi gente ali.

Solo: (G C) 4x
