

Diego Rocha - Tenho Medo

Tom: A

Intro: A7M F7M G7M A7M F7M E

Tenho medo

De romper com a nossa relação

E sofrer com essa decisão

Sabe porque passei do horário pra te ver

O telefone você não observou

Indiferente com a nossa relação

Eu esperava outra posição

Mas mesmo assim faço questão de te dizer

Que eu estava compondo uma nova canção
 Que falava da nossa relação

Mas o caldo entornou e manchou o papel

As tintas misturadas me pintaram infiel

Decidido estou

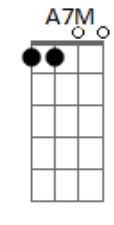

Vou ai te encontrar

Pro nosso lance eu terminar

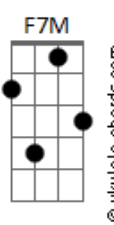

Perdi o medo de falar

Voltar atrás não vai rolar
