

Diego Viana de Jesus - Sua Luz

tom: D

O mundo sem luz não é o seu

Obstáculos nos fazem tropeçar

Escuridão me corrompeu

Hoje sei que é preciso acreditar

Iluminou minha vida, curou minhas feridas me retirou das

trevas

Vou crer em ti

Desfrutar do que o senhor preparou para mim

Acreditar em ti pois sua luz iluminou e das trevas me salvou

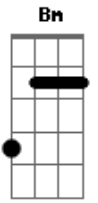

Ilumina o meu ser

Pois só em ti quero viver
