

# Diego Yvis - Um Canto de Vontade

Tom: C

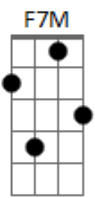

A noite vai chover bem forte **F7M**  
 E a calma que aflora dentro **Am7**  
**Dm7** Tão clara luz do aperreio dos meus pensamentos **F7**

**Am** Quando tudo é desculpa pra voltar tão tarde  
**F** E aquela parte que não tem mais fim **C7M**  
**Dm7** Quando tudo pelos pés escapa  
**C7M** E o cinza se constrói por dentro  
**F7M** **C7M** Ah, voltar
