

# Joe Diffie - So Help Me Girl

tom:

A

A

You could have kissed me like this wasn't gonna last

Kept me from sayin' something I'll never take back

You could have held me like there was no chance

Of me waking up where I am

You could have stopped short of every dream I've ever had

[Refrão]

A

Gbm

So help me girl, you've gone too far

The way it feels each time we touch

I know I've never been so loved

And I can't help myself, so help me girl

A

You had to be there when that old sun came up

A

Makin' last night feel like a vision of things yet to come

D

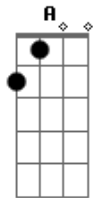

You just had to hold me like nobody else

Now look what you've gone and done

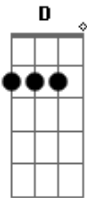

D

You had to love me till I just can't get enough
