

# Digital Daggers - The Devil Within

Tom: Eb

(com acordes na forma de Capotraste na 3ª casa

C)

I will keep quiet  
 You won't even know I'm here  
 You won't suspect a thing  
 You won't see me in the mirror

But I crept into your heart  
 You can't make me disappear  
 Til I make you

I made myself at home  
 In the cobwebs and the lies  
 I'm learning all your tricks  
 I can hurt you from inside

Oh I made myself a promise  
 You would never see me cry  
 Til I make you

You'll never know what hit you  
 Won't see me closing in  
 I'm gonna make you suffer  
 This Hell you put me in  
 I'm underneath your skin  
 The devil within  
 You'll never know what hit you

I will be here  
 When you think you're all alone  
 Seeping through the cracks

I'm the poison in your bones

My love is your disease  
 I won't let it set you free  
 Til I break you

You'll never know what hit you  
 Won't see me closing in  
 I'm gonna make you suffer  
 This Hell you put me in  
 I'm underneath your skin  
 The devil within  
 You'll never know what hit you

I tried to be the lover to your nightmare  
 Look what you made of me  
 Now I'm the heavy burden that you can't bear  
 Look what you made of me  
 Look what you made of me  
 I'll make you see

( Am ) x3

You'll never know what hit you  
 Won't see me closing in  
 I'm gonna make you suffer  
 This Hell you put me in  
 I'm underneath your skin  
 The devil within  
 You'll never know what hit you
