

# Dilemba - Se eu fosse tempo

tom:

E

Ah se eu tivesse um abraço

Meu deus que bom seria

Meu mundo que falta um pedaço

Simplesmente mudaria

Pois toda canção que eu faço

São lastros, memórias que lembram você

Meu peito viaja no tempo

Trazendo passado querendo te ver

Ah se eu pudesse eu criava

Um mundo que fosse alegria

Morada da tua risada

E você não partiria

Cessava assim toda mágoa

E a fonte da vida voltava a viver

Deixando pra trás o mau tempo

Findando a tristeza pro amor florescer

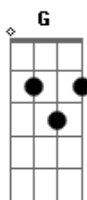

E se eu fosse vento, eu seria seu ar

E se eu fosse tempo, eu iria parar

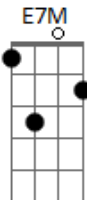

Só pra te ver assim

Só pra te ter pra mim
