

Dio - As Long As It's Not About Love

tom:
 Intro: Dm Bb Gm
 Dm F C F
 F C Dm A
 Dm C Bb Gm
 Dm C

From the first time we touched with our eyes
 Only magic could take away my heart
 I am always afraid for my heart
 So lay beside me now and tell me lies, sweet lies
 As long as it's not about love

Shall we sail off the edge of the world
 Fall forever and never look behind
 But I must keep my heart from my mind
 Lay beside me now and tell me lies
 As long as it's not about love

Oh the last time we touched with our eyes
 And the magic was stronger than the heart
 Oh I can't run away with my heart
 So lay beside me now and tell me lies
 As long as they're not about love

Shall we sail off the edge of the world
 Fall forever
 Take my heart away but, no
 You can't say words about love

(Gm D Gm Em)
 (A Dm Bb C)

If the magic comes between us
 And we never meet again
 Take a part of me away
 Cause maybe it's all above love, love
