

# Dio - As Long As It's Not About Love

tom:

Intro: Dm Bb Gm  
 Dm F C F  
 F C Dm A  
 Dm C Bb Gm  
 Dm C

From the first time we touched with our eyes  
 Only magic could take away my heart  
 I am always afraid for my heart  
 So lay beside me now and tell me lies, sweet lies  
 As long as it's not about love

Shall we sail off the edge of the world  
 Fall forever and never look behind  
 But I must keep my heart from my mind  
 Lay beside me now and tell me lies  
 As long as it's not about love

Oh the last time we touched with our eyes  
 And the magic was stronger than the heart  
 Oh I can't run away with my heart  
 So lay beside me now and tell me lies  
 As long as they're not about love

Shall we sail off the edge of the world  
 Fall forever  
 Take my heart away but, no  
 You can't say words about love

( Gm D Gm Em )  
 ( A Dm Bb C )

If the magic comes between us  
 And we never meet again  
 Take a part of me away  
 Cause maybe it's all above love, love
