

Dion - Somebody, Nobody Wants

Tom: G

I'm just a somebody nobody wants
 (Nobody wants me) nobody wants me

Everybody that I see
 Seems to have someone but me
 Arm in arm they walk along
 Why does life treat me so wrong?
 Wish somebody wanted me
 ?Cause I just don't wanna be
 Another somebody nobody wants

Saturday's another night
 Just like any other night
 Everybody's feelin' great
 Everybody's got a date
 All of them have fun but me
 Why why why must I be
 Just another somebody nobody wants

Feel like my heart's about to break; I'm so sad
 I want a girl to love me; I need her bad
 I sit up in my lonely room
 Somethin's gotta happen soon
 Wond'rin' why I'm all alone
 Want somebody of my own
 Someone who will care a lot
 Someone who will prove I'm not
 Another somebody nobody wants

Feel like my heart's about to break; I'm so sad
 I want a girl to love me; I need her bad
 I sit up in my lonely room
 Somethin's gotta happen soon
 Wond'rin' why I'm all alone
 Want somebody of my own
 Someone who will care a lot
 Someone who will prove I'm not
 Another somebody nobody wants

(Nobody wants me) nobody wants me
