        C               Em

        C                  Am
        Don't pick on the things I say, the things I do
                                F                   G

        Now that I can't make it without you
        Don't make me over
        I wouldn't change one thing about you

        Just take me inside your arms and hold me tight
        And always be by my side, if I am wrong or right
        I'm begging you

        C                  Am                  F      G
