

# Dire Straits - Brothers in Arms

tom:  
 B  
 Abm E Gb  
 These mist covered montains  
 B B B  
 Are a home now for me  
 Abm Ebm  
 But my home is the lowlands  
 E Gb  
 And always will be  
 Abm Ebm  
 Some day you'll return to  
 E Dbm Gb  
 Your valleys and your farms  
 B  
 And you'll no longer burn  
 E Gb  
 To be brothers in arms  
 SOLO (Abm E Dbm )  
 Abm D Gb  
 Though these fields of destruction  
 B B B  
 Baptism of fire  
 Abm Ebm  
 I've witnessed your suffering  
 E Gb  
 As the battle raged higher  
 Abm Ebm  
 And trough they did hurt me so bad  
 E Dbm Gb  
 In the fear and alarm  
 B

You did not desert me  
 E Gb  
 My brothers in arms  
 SOLO (Abm E Dbm )  
 Abm Gb Abm B Gb  
 There's so many different worlds  
 B E Gb  
 So many different suns  
 Abm B Gb  
 And we home just one world  
 B E  
 But we live in different ones  
 SOLO (Abm E Gbm )  
 Abm E Gb  
 Now the sun's gone to hell  
 B B B  
 And the moon's riding high  
 Abm Ebm  
 Let me bid you farewell  
 E Dbm Gb  
 Every man has to die  
 Abm Ebm  
 But it's written in the starlight  
 E Gb  
 And every line on your palm  
 B  
 We're fools to make war  
 E Gb  
 On our brothers in arms

## Acordes
