 Now I could sing like an angel, fly just like a bird

^A ^E
 Sing you the best love song you ever heard.

^A ^E
 I could be a poet like Mohammed Ali,

^A ^B ^E ^B ^E ^B ^E
 Float like a butterfly, sting just like a, just like a bee.

Mmm, ooo, if I had you, ahhh the things that I could do
 If I had you.

Now I'd go get your name tattooed on my chest,
 Well it'd just say 'my baby, my baby, she's the best.'
 I could be your Superman, you could be my Lois Lane
 I could be a Tarzan, you could be my sweet Jane - if you

wanted to.

^E ^A ^E ^A
 Mmm if I had you, ah the things that I could do
 If I had you.

Yeah one more time...

^E ^A ^E ^A
 Ooo if I had, only had you, Yeah the things that I could do,

^B
 Oh boy
 Only if I had you.

^E ^E ^A
 So come on dance with me baby, don't let me go.

^E
 Yeah dance with me baby, don't let me go.

^A ^E
 Baby don't let me, don't let me go

Don't let me go, oh no...
