

Dire Straits - Love Over Gold

Tom: F

F Bb C
There you walk out on the high wire
Bb F Bb
You're dancer on thin ice
F Bb C
You pay no heed to the danger
Am Dm C F
And less to advice
F Bb C
Your footsteps are forbidden
Am Bb C F
But with knowledge of your sin
C Bb F
You throw your love to all the strangers
Dm
And the caution to the wind

Interlude: A G G F Eb D Eb D Eb D Eb D C Bb A

F Bb C
And you go dancing through the doorways
Bb C F Bb
Just to see what you gonna find there
F Bb C

Leaving nothing to interfere
Am Dm F Dm C F
With the crazy balance of your mind
F Bb C
And when you finally reappear
Am Bb C F
At the place where you came in
F Bb Bb F
You've thrown your love to all the strangers
Dm
And the caution to the wind

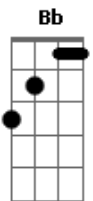

Interlude: A G G F Eb D Eb D Eb D Eb D C Bb A

C
It takes love over gold
F Bb
And mind over matter
C Bb Dm
To do what you do that you must
C
When the things that you hold
Eb
Can fall and be shattered
C Dm
Or run through your fingers like dust
