

# Dire Straits - On Every Street

Tom: F

There's <sup>F</sup> gotta be a <sup>C</sup> record of you <sup>G</sup> some <sup>C</sup> place  
 You <sup>Am</sup> gotta be on <sup>G</sup> somebody's <sup>C</sup> books  
 The <sup>F</sup> lowdown - a <sup>G</sup> picture of your <sup>E</sup> face  
 Your <sup>Am</sup> injured <sup>Em</sup> looks  
 The <sup>F</sup> sacred and <sup>C</sup> profane  
 The <sup>F</sup> pleasure and the <sup>C</sup> pain  
 Somewhere <sup>G</sup> your <sup>Am</sup> fingerprints <sup>Em</sup> remain <sup>Bb</sup> concrete  
 And it's <sup>Dm</sup> your <sup>Bb</sup> face I'm looking for  
 on <sup>F</sup> every <sup>C</sup> street

 A ladykiller - <sup>F</sup> regulation <sup>C</sup> tattoo <sup>G</sup> <sup>C</sup>

Silver <sup>Am</sup> spurs on his <sup>G</sup> heels <sup>C</sup>  
 Says - <sup>F</sup> what can I <sup>C</sup> tell you, as I'm <sup>G</sup> standing <sup>E</sup> next to you  
 She <sup>Am</sup> threw herself <sup>Em</sup> under my <sup>C</sup> wheels  
 Oh, It's a <sup>F</sup> dangerous <sup>C</sup> road  
 And a <sup>F</sup> hazardous <sup>C</sup> load  
 And the <sup>C</sup> fireworks <sup>G</sup> over <sup>Am</sup> Liberty <sup>Em</sup> explode in the <sup>C</sup> heat  
 And it's <sup>Dm</sup> your <sup>Bb</sup> face I'm looking for  
 on <sup>F</sup> every <sup>C</sup> street
