 Two years since I've seen your face

 Still staring at the photograph,
 Am
 Me and you behind the broken glass

 No sleep tonight

[Pré-Refrão]

Cos all I wanna do is call you
 All I wanna do is call you

[Refrão]

I've been crushed in a landslide,
 Drowned in a riptide,
 I've never felt quite like this
 Red wine and bandaids
 Try to kill the pain
 It's all a temporary fix

 Someone said your with someone new
 Am
 Does he make you feel the way I do

 Stranger lying in my bed

 But our songs running through my head
 G D
 The room's spinning out

[Pré-Refrão]

Cos all I wanna do is call you
 All I wanna do is call you

[Refrão]

I've been crushed in a landslide,
 Drowned in a riptide,
 I've never felt quite like this
 Red wine and bandaids
 Try to kill the pain
 It's all a temporary fix
 Cos all I wanna do is call you
 All I wanna do is call you
 All I wanna do is call you
 All I wanna do is call.
