tom:
Capostrate na 3ª casa

Got our souls on the whipping post
Our heart's about to fail
And you pour some whiskey in the holy grail

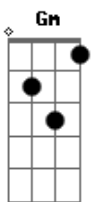

(Em G A Em)
(G A G Em)
(Em G A Em)
(G A G Em)

Got our souls on the whipping post
Our heart's about to fail
And you pour some whiskey in the holy grail
Got our souls on the whipping post
Our heart's about to fail
And you pour some whiskey in the holy grail
And you pour some whiskey in the holy grail

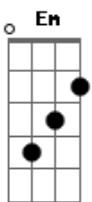

We all need a bartender
To ease our mind
And all the misery leave behind
It's about time you got
Some answers to
Believe that you are living through it

Got our souls on the whipping post
Our heart's about to fail
And you pour some whiskey in the holy grail
Got our souls on the whipping post
Our heart's about to fail
And you pour some whiskey in the holy grail
And you pour some whiskey in the holy grail
And you pour some whiskey in the holy grail

We lost our hopes
Waiting till dawn
Cause the devil's the one who's laughing now
Now, days aren't bright
And there's no light to be seen
Show mercy to a god unseen

Got our souls on the whipping post
Our heart's about to fail
And you pour some whiskey in the holy grail
Got our souls on the whipping post
Our heart's about to fail
And you pour some whiskey in the holy grail
And you pour some whiskey in the holy grail
