Dirty Heads - Higher And Higher

Tom: G	A
G	G D And though she moves right through that music and she sways
It burns higher and higher	like there was no one in sight A
They can't put out the fire	G
G It burns higher and higher	And when I hold her in my arms you know I never felt the feeling so right A
They can't put out the fire	G D
G	And I just love her when she's near me 'cause she's got my fire burning so bright
It burns down below C	G
My soul	It burns higher and higher <mark>C</mark>
G And just so you know	They can't put out the fire G
C	It burns higher and higher
Well, it burns for you G	They can't put out the fire
And just so you know D	G
And I hope you do	It burns down below
Α	C My soul
G It's like everywhere I go I'm always waitin' til' I'm right	G And just so you know
back with you A	C Well, it burns for you
G D	G
And though I miss her when she's gone but when she's here I know her lovin' is true	And just so you know D
A G	And I hope you do
Yeah I remember when I saw her and I knew there's nothin' I	C
wouldn't do A	So right, so true D
G D Yeah, though she's nice she serves my night the way she moves	So down, so cool
like she's got nothing to lose	So nice, she moves D
G It burns higher and higher	So right, she feels
C	So down, so cool, so right, so true
They can't put out the fire G	D You know these plains they burn for you
It burns higher and higher	6
They can't put out the fire	It burns higher and higher
G	They can't put out the fire
It burns down below C	G It burns higher and higher
My soul G	C They can't put out the fire
And just so you know	
C Well, it burns for you	G It burns down below
G And just so you know	<mark>C</mark> My soul
D And I hope you do	G And just so you know
	C
A G	Well, it burns for you G
She keeps me cool and makes me right the way she moves and just keeps rocking all night	And just so you know D G
J	And I hope you do
