

# Dirty Heads - Notice

Tom: **Db**  
Intro: 2x: **Ab Gb**

( **Ab Gb** )  
I was a fool for playin' it cool  
I tell ya, you made it  
clear it wasn't working  
For you I couldn't be just  
A passing glass  
And you gettin' old  
So I'm telling you now  
And I'm taking this cast  
To let you know,

Refrão:

( **Ab Gb** )  
I wish  
You notice notice  
When I'm not around.  
I wish you notice notice  
When I'm not around.  
( **Ab Gb** )  
So I can show this show  
This new love that I found  
I wish you notice notice  
When I'm not around.

( **Ab Gb** )  
If I could read your mind  
I'll find out what to do, I do it.  
Changing my style, all  
The way to my shoe  
You looking out.

Situation rising am  
I breaking the rule  
Will you tell talking  
If I try to get a little

Attention from you  
What do I do?

Refrão 2:

( **Ab Gb** )  
To make you notice notice when I'm not around.  
This is hopeless hopeless  
In bringing me down.  
I wanna show this show  
This new love that I found,  
To make you notice notice  
When I'm not around.

( **F Gb** )  
I said, try not to have me at  
And now that I'm gone,  
Now I moved on  
You'll no longer hear  
Me singing the song, like

( **Ab Gb** )  
Notice, notice when  
I'm not around.  
You're so hopeless, hopeless  
It's bringing me down.  
I've tried to show this show this  
New love that I found  
And now you noticed, noticed  
Well I'm not around

## Acordes
