

# Dirty Heads - Spread Too Thin

Tom: A

I, I'm spread way too thin  
 Everybody wants to know what's happenin  
 I, I'm spread way too thin  
 what's the big rush now, tell me why you're rushin

I, I'm spread way too thin  
 Everybody wants to know what's happenin  
 I, I'm spread way too thin  
 what's the big rush now, tell me why you're rushin  
 Why you rushin  
 Why you rushin

Well everybody's callin, but I just need some time.  
 Yeah I just need some room to breathe again  
 A way to clear my mind  
 you don't need to be here  
 all up in my face  
 we need to find the right solution  
 to put you in your place

I said hey, I got a lot to say to you  
 hear what you say it's not true  
 so this is what I'm gonna do  
 look at me I'm gonna let you know

I, I'm spread way too thin  
 Everybody wants to know what's happenin  
 I, I'm spread way too thin  
 what's the big rush now tell me why you're rushin  
 Why you rushin  
 Why you rushin

Well this has got me twisted

In the worst kind of way  
 you put me down when I'm not around  
 and then you, and they you smile at my face  
 you don't need a home no, what you need is a cage  
 I've bottled up all of these emotions babe  
 a monster 'bout to rage

I said hey, I got a lot to say to you  
 It seems you got somethin to prove  
 so this is what I'm gonna do  
 look at me I'm gonna tell you so

I, I'm spread way too thin  
 Everybody wants to know what's happenin  
 I, I'm spread way too thin  
 what's the big rush now tell me why you're rushin  
 Why you rushin

Let me breathe, let me chill for a while  
 Let me breathe, no it's not my style  
 Let me breathe, let me chill for a while  
 Let me breathe, no it's not my style

I said hey, I got a lot to say to you  
 hear what you say it's not true  
 so this is what I'm gonna do  
 look at me I'm gonna let you know

I, I'm spread way too thin  
 Everybody wants to know what's happenin.  
 I, I'm spread way too thin  
 what's the big rush now tell me why you're rushin  
 Why you rushin  
 Why you rushin
