

# Disclosure - Omen

Tom: Eb

(com acordes na forma de D )

I'm feeling something, something different

When you left, my picture changed.

I was blinded, I'd not envisioned  
The same face in a different frame.

Pré-refrão:

It's an omen, caught my baby crying  
Saw the silver lining.

It must be an omen  
Needed you to show me, without you I am lonely.

Refrão:

My mind would rule my heart

I didn't pay attention to the light in the dark

It left me torn apart

But now I see your tears are an omen.

Oh-Oh-Oh-Oh Oh-Oh-Oh Omen

You were waiting, I was vacant

You left before my eyes, then it hit me

You're relocating and I need you by my side.

Refrão:

My mind would rule my heart

I didn't pay attention to the light in the dark

It left me torn apart

But now I see your tears are an omen?x3

Oh-Oh-Oh-Oh Oh-Oh-Oh Omen ?.x6
