

# Dish Carpens - Andy, Don?t Cry

tom:

Oh, Andy

Tell me

How do you feel?

Tell me

If this pain is old or new

( A D A D A )

Always alone

Here on my own

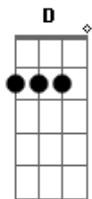

Living in darkness

I'm missing my life

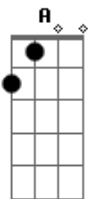

Where's the colour of life?

I want the meaning of life

Andy

Life is not easy

But someday you'll notice

That everything change

Just wait and you'll see

A new life to come

Remember when you were young?

Having so much fun

Why can't this time come back again?

Why don't you try?

Don't refrain

Ah
