

Dishwalla - Find Your Way Back Home

Tom: D

There used to be a time^D
 When you're the only one that you could see^{Bm}
 You built a wall to keep you free^G
 You saw it all so perfectly^{Em}

You divided everything^D
 You had into a thousand parts with names^{Bm}
 It made it easier to place the blame^G
 But it never really was the same^{Em}

But you forgot the reason why^D
 You had to be alone to breathe^B
 Something from your history^G
 Or have you lost your memory?^E

But now it seems your baggage^D
 Is the only thing than you can bring^B
 You had a lie for everything^G
 And now your world is crumbling^E

[chorus]

(ah ooh)^{D B}
 So now you find you're on your own^G
 You find you're on your own^E
 (ah ooh)^{D B}
 Trying to find your way back home^G
 Trying to find your way back home^E

You used to talk to god^D
 But you gave up 'cause you couldn't see^B
 Couldn't get from a to b^G
 But were you ever really listening^E

Enough's enough you know^D

But then you never really had enough^B
 Something more to fill you up^G
 Maybe just a smaller cup^E

[chorus]

(ah ooh)^{D B}
 So now you find you're on your own^G
 You find you're on your own^E
 (ah ooh)^{D B}

Trying to find your way back home^G
 Trying to find your way back home^E

[solo] D B G E D

You used to think that you would never be alone
 But you're losing control
 You find it hard to see at all
 To find your way back

[chorus]

(ah ooh)^{D B}
 So now you find you're on your own^G
 You find you're on your own^E
 (ah ooh)^{D B}
 Trying to find your way back home^G
 Trying to find your way back home^E

There used to be a time when you divided^D
 Everything you had^B
 You had a lie for everything^G
 But were you ever really listening?^E
 You used to talk to god, but you gave up^D
 But then you really never had enough^{B G}
 Or have you lost your memory? memory!^E

(ah ooh)^{D B}
 But now you find you're on your own^G
 To find your way back home^{E E}
