

Disney - Lost In The Woods

tom:

Intro: A A7 D F
A A7 D

[Primeira Parte]

Again, you're gone
Off on a different path than mine
I'm left behind

Wondering if I should follow
You had to go

And, of course, it's always fine
I probably could catch up with you tomorrow

[Pré-Refrão]

But is this what it feels like
To be growing apart?

When did I become the one
Who's always chasing your heart?

[Refrão 1]

Now I turn around and find
I am lost in the woods

North is south, right is left
When you're gone

I'm the one who sees you home
But now I'm lost in the woods

And I don't know what path you are on
I'm lost in the woods

[Segunda Parte]

Up 'til now
The next step was a question of how
I never thought it was a question of whether
Who am I, if I'm not your guy?
Where am I, if we're not together forever?

[Refrão 2]

Now I know you're my true north
'Cause I am lost in the woods

Up is down, day is night
When you're not there

Oh, you're my only landmark
So I'm lost in the woods

Wondering if you still care

[Ponte]

But I'll wait
For a sign (for a sign)
That I'm your path

'Cause you are mine (you are mine)
Until then
I'm lost in the woods

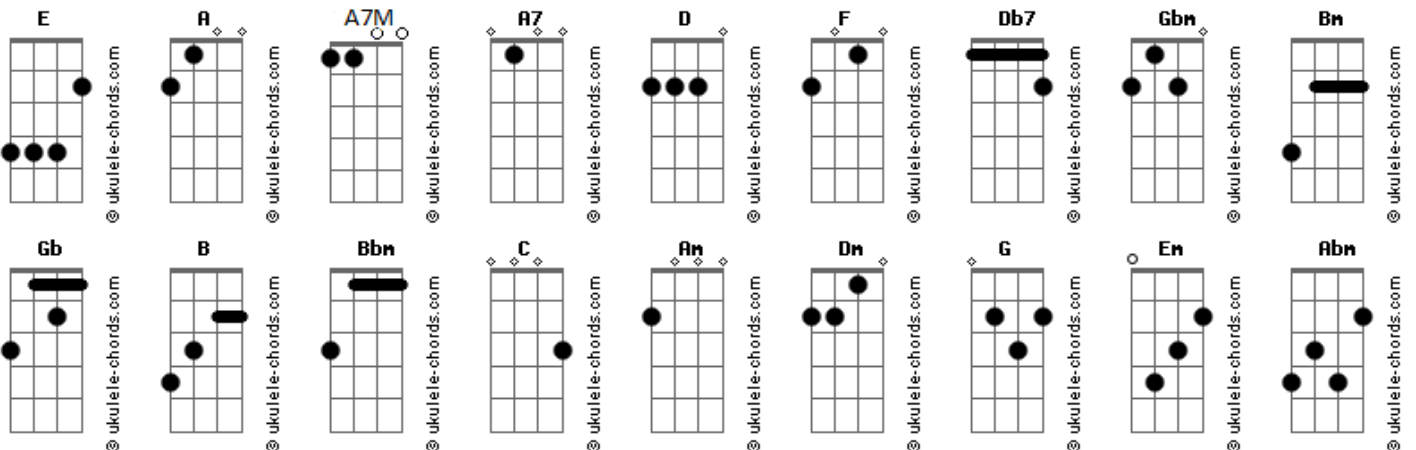

Lost in the woods (lost in the woods)
I'm lost in the woods (lost in the woods)

I'm lost
I'm lost in the woods

I'm lost in the woods

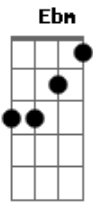

[Final] A Aadd9 A Db
