

# Dispatch - Bang Bang Intro

Tom: **B**

Tabbed by: me  
Email: my own

Tuning: standard  
Intro: /Verse: (w/ light tremolo effect, sounds perfect)

You can find many good tabs of the solo so I'll leave that up to you but I haven't seen many good tabs of the meat of the song but this is 110%

correct I'm certain.  
And if you find a nice tremolo effect to splash on there it sounds PERFECT.
