

Dispatch - Hey hey

Tom: **D**

A **B** **Dbm** **B** **A**
Hey hey, hey hey, hey hey hey
A **B** **Dbm**
Hey hey, hey hey hey,
Ab
Hey hey, hey he-ey hey

E
Well I'm moving kind of slow

B
Down that same old path
Dbm **A**
Wasting time inside this hour glass

E
She's coming up ahead now

B
And I feel, yes I feel
Dbm **A**
My head turning like a race car wheel

E **B**
Maybe I'll try to say hi another time
Dbm **A**
I've gotta find a way to get inside your mind
E **B**
I'll talk smoothe and walk one step closer
Dbm **A**
Be real cool, dang real cool

Dbm **E**
say what you want, say what you mean
B **A**
question yourself are you really what you seem?
Dbm **E**
say who you are, say what you mean

B
question yourself are you really what you dream?

(Repete a mesma ordem)

Now here I come one more time
But she slides on by
Not even a second look
She took the bait right off that hook
I've got my blinders on tight
I pull my cap a little lower
I can hide, hide away

(these are barred)

E **B**
You may think that this is easy for me
Dbm **B** **Dbm**
But there's a lot of things you don't know,
B **Dbm** **A**
You don't care, you don't want to see
Long while since I've got myself across
But maybe there's a reason for that
Even if I caught you I'd throw you back.

(refrão)

hey...hey...
I really don't want to fall back
because you don't seem like you care
and if I would fall back
you don't seem like you care
fall down your back, fall down your back
fall down your back, fall down your back
I will not, I will not hold, hold you back
you don't seem like you care
Fall back...you don't
Fall back...you don't
Fall back...you don't
