

Dispatch - Hey hey

Tom: D

A B Dbm B A
 Hey hey, hey hey, hey hey hey
 A B Dbm
 Hey hey, hey hey hey,
 Ab
 Hey hey, hey he-ey hey

E
 Well I'm moving kind of slow
 B
 Down that same old path
 Dbm A
 Wasting time inside this hour glass
 E
 She's coming up ahead now
 B
 And I feel, yes I feel
 Dbm A
 My head turning like a race car wheel

E B
 Maybe I'll try to say hi another time
 Dbm A
 I've gotta find a way to get inside your mind
 E B
 I'll talk smoothe and walk one step closer
 Dbm A
 Be real cool, dang real cool

Dbm E
 say what you want, say what you mean
 B A
 question yourself are you really what you seem?
 Dbm E
 say who you are, say what you mean

B
 question yourself are you really what you dream?

(Repete a mesma ordem)

Now here I come one more time
 But she slides on by
 Not even a second look
 She took the bait right off that hook
 I've got my blinders on tight
 I pull my cap a little lower
 I can hide, hide away

(these are barred)

E B
 You may think that this is easy for me
 Dbm B Dbm
 But there's a lot of things you don't know,
 B Dbm A
 You don't care, you don't want to see
 Long while since I've got myself across
 But maybe there's a reason for that
 Even if I caught you I'd throw you back.

(refrão)

hey...hey...
 I really don't want to fall back
 because you don't seem like you care
 and if I would fall back
 you don't seem like you care
 fall down your back, fall down your back
 fall down your back, fall down your back
 I will not, I will not hold, hold you back
 you don't seem like you care
 Fall back...you don't
 Fall back...you don't
 Fall back...you don't
