

# Dispatch - Lightning

Tom: **E**

Tabbed by Rob Stewart

Sorry guys this is going to be a really short tab with just the intro. Maybe I'll right

/, slide up or down

```
-----5-----7-----5--
--5-----|
--6 (bend)-----|
-----|
```

```
-----4-2----2/6---6\2--4-2--2/7---7\2--4-2-2/6-
-2/6-----|
-----4-2-----4-2-----4-2-----
-----|
-----2-0-----2-0-----2-0-----
-----|
-----|
```

Definately check back soon for a "lightning part 2" tab with the chorus, solo, and other miscellaneous fills that they do in the song.
