Tom: D

(com acordes na forma de Capostraste na 2ª casa Tabbed by: fatiSar Email: fatiS <mark>C</mark>)

This is my first tab and I don't have the song with me right now so forgive me on

the timing but what's down should be correct. Email me with suggestions/corrections.

## Acordes

Tuning: Standard Capo 2nd Fret

Repeat this part several times

Yeah I know there's more I just haven't gotten around to figuring it out. This is pretty much the majority of the song though so it shouldn't matter too much.
