Bb **F** **Cm** **Gm** **Eb** **Bb** **F**

But the men stood fast with their guns on their shoulders
Not knowing what to do with contradicting orders
The general said he would do his own duty but extended it no further
The men could go as they pleased
But not a man moved their eyes gazed straight ahead
Till one by one they stepped back and not a word was said
The old general was left with his own words echoing in his head
He then prepared to fight
