                            D
 I hear it in your voice, so ridden with shame
                                                                                       Bm
