

# Disturbed - Hold On To Memories

tom:  
 Listen, everyone  
 The time will come when all of us say goodbye  
 Feel that aching in your heart  
 Leaving you broken inside  
 But we're never really gone  
 As long as there's a memory in your mind

So now go do the best things in life  
 Take a bite of this world while you can  
 Make the most of the rest of your life  
 Make a ride of this world while you can

Take the ones you love  
 And hold them close because there is little time  
 And don't let it break your heart  
 I know it feels hopeless sometimes  
 But they're never really gone  
 As long as there's a memory in your mind

So now go do the best things in life  
 Take a bite of this world while you can  
 Make the most of the rest of your life  
 Make a ride of this world while you can

And hold on to memories  
 Hold on to every moment  
 To keep them alive  
 The world's greatest tragedy  
 Souls who are not remembered  
 Cannot survive

So now go do the best things in life  
 Bring the fight to this world while you can  
 Make the most of the rest of your life  
 Shine your light on this world while you can

And hold on to memories  
 Hold on to every moment  
 To keep them alive  
 The world's greatest tragedy  
 Souls who are not remembered  
 Cannot survive

And hold on to memories (hold on)  
 Hold on to every moment  
 To keep them alive (keep them alive)  
 The world's greatest tragedy (hold on)  
 Souls who are not remembered  
 Cannot survive (cannot survive)
