

Disturbed - Hold On To Memories

tom:
 Listen, everyone
 The time will come when all of us say goodbye
 Feel that aching in your heart
 Leaving you broken inside
 But we're never really gone
 As long as there's a memory in your mind

So now go do the best things in life
 Take a bite of this world while you can
 Make the most of the rest of your life
 Make a ride of this world while you can

Take the ones you love
 And hold them close because there is little time
 And don't let it break your heart
 I know it feels hopeless sometimes
 But they're never really gone
 As long as there's a memory in your mind

So now go do the best things in life
 Take a bite of this world while you can
 Make the most of the rest of your life
 Make a ride of this world while you can

And hold on to memories
 Hold on to every moment
 To keep them alive
 The world's greatest tragedy
 Souls who are not remembered
 Cannot survive

So now go do the best things in life
 Bring the fight to this world while you can
 Make the most of the rest of your life
 Shine your light on this world while you can

And hold on to memories
 Hold on to every moment
 To keep them alive
 The world's greatest tragedy
 Souls who are not remembered
 Cannot survive
 And hold on to memories (hold on)
 Hold on to every moment
 To keep them alive (keep them alive)
 The world's greatest tragedy (hold on)
 Souls who are not remembered
 Cannot survive (cannot survive)
