

Divine Heresy - Darkness Embedded

Tom: Bb

Gm Gm F F Eb Eb
 Gm F Eb
 Open up the door to our room lined with darkness
 A broken man sits and waits
 As the razor separates the skin
 Gm F Eb
 He bleeds out the sin but the wounds heal
 Gm F Eb
 What was drained out grows back again

Gm F Eb Dm
 Skin so white, pry back the porcelain
 Gm F Eb Dm
 To reveal the flesh
 Gm F Eb Dm
 Forever darkness, you will not
 Gm F Eb Dm
 Make it through this night again

Gm F
 Stains on his hands
 Eb
 Left from all the poison bled within
 Gm F Eb
 Collecting at his feet
 Gm F Eb
 Drowning so far in all the regret of what was done
 Gm F Eb
 So lost in this, the soul is gone, the sacrifice

Gm F Eb Dm
 Skin so white, pry back the porcelain
 Gm F Eb Dm

To reveal the flesh
 Gm F Eb Dm
 Forever darkness, you will not
 Gm F Eb Dm
 Make it through this night again, again

Gm Bb F
 Rise up from the blood that spilled
 Gm Bb Ab
 For memories of all you lost here

The life you gave
 Gm Bb F
 Rise up from the blood that spilled
 Gm Bb Ab
 For memories of the life you left behind
 The sacrifice
