

Dixie D'amelio - Be Happy

tom:

[Refrão]

Sometimes I don't wanna be happy
Don't hold it against me
If I'm down, just leave me there, let me be sad (Yeah)
[Primeira Parte]

I don't wanna get up out of bed this season
All bad days, walk away, leave me bleedin'

Fuck today, fuck this pain I been feelin'
I've got the devil on my shoulder, heart is getting colder
But I keep to myself
Anxiety been creepin', staring at the ceiling
But I don't need your help 'cause

[Refrão]

Sometimes I don't wanna be happy
Don't hold it against me
If I'm down, just leave me there
Let m? be sad (Yeah)
Sometimes I just wanna b? lonely
Don't need you to hold me
If I'm low, you don't need to care
Let me be sad

What's the matter with that? (Oh, oh, oh)
What's the matter with that? (Oh, oh, oh, yeah)

[Segunda Parte]

Sometimes I be by myself 'cause it feel better
Sometimes my heart feel like snow, like it's cold weather
I know everyone fake, I just roll with it
So you can't come with me, you can't roll with it
All of you making me mad, I had to spaz out
I know it made me feel better so I had to cash out

This fame not what it seems

It bring bad bad energy
