```
    G                           Bm
  Shine bright like a diamond
A                             A
  Shine bright like a diamond

G                         Bm
Find light in the beautiful sea
                          A
I choose to be happy

You and I, you and I
            A               G
We're like diamonds in the sky

                          Bm
You're a shooting star I see
                     A
A vision of ecstasy

When you hold me, I'm alive
           A              G
We're like diamonds in the sky

          Bm              A
I knew that we'd become one right away
              A
Oh, right away

G             Bm                    A
At first sight I felt the energy of sun rays
                          A
I saw the life inside your eyes

  G                 Bm            A
So shine bright, tonight, you and I
                     A      A      G
We're beautiful like diamonds in the sky
        Bm       A
Eye to eye, so alive
                  A     A    D     G
We're beautiful like diamonds in the sky

                         Bm
Shine bright like a diamond
                          A
Shine bright like a diamond

Shine bright like a diamond
                   D      A        G
We're beautiful like diamonds in the sky

                         Bm
Shine bright like a diamond
                          A
Shine bright like a diamond

Shine bright like a diamond
                  A     A    A     G
We're beautiful like diamonds in the sky

                        Bm
Palms rise to the universe
                        A
As we, moonshine and molly

Feel the warmth we'll never die
                A              G
We're like diamonds in the sky
