

DJ Snake - A Different Way

Tom: A

Could you believe I could be different?
 I'll be the difference, I'll lift you high
 And I understand your hesitation
 Our reputation, it's no surprise

So let me redefine you
 And you can see the tide move
 Just like tears in the eyes do
 And when you're feeling alone
 Oh, baby, I'll be right here
 Between the sea and silence
 So breathe easy my dear
 You can find sunshine in the rain

I will come running when you call my name
 Even a broken heart can beat again
 Forget about the one who caused you pain
 I swear I'll love you in a different way

I know that love is so unforgiving
 You've been the victim too many times

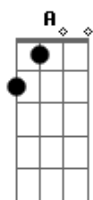

And I'll be the thread, hold you together
 I'll be forever, will you be mine?

So let me redefine you
 And you can see the tide move
 Just like tears in the eyes do
 And when you're feeling alone
 Oh, baby, I'll be right here
 Between the sea and silence
 So breathe easy my dear
 You can find sunshine in the rain

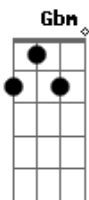

I will come running when you call my name
 Even a broken heart can beat again
 Forget about the one who caused you pain
 I swear I'll love you in a different way

Hey, hey, hey
 I swear I'll love you in a different way
 Hey, hey, hey
 I swear I'll love you in a different way
