

# Tiësto - In The Dark

Tom: Gb

F  
When it seems  
Like the world around you's breaking  
Eb  
And it feels  
Db F  
Like there's no one else around you

F  
And it's quiet  
There's a silence in the darkness  
Eb  
And it sounds  
Db F  
Like the carnival is over

( F Db Eb Db F )  
As you walk  
In the crowded empty spaces  
And you stare  
At the emptiness around you  
You wanna go  
To the city and the bright lights  
Get away  
From the sinners that surround you

( F Db Eb Db F )  
Cuz I will be there  
And you will be there  
We'll find each other in the dark  
And you will see  
And I'll see you too  
Cuz we'll be together in the dark

( F Db Eb Db F )

Cuz if it's coming for you  
Then it's coming for me  
Cuz I will be there  
Cuz we need each other in the dark  
And if it terrifies you  
Then it terrifies me

Cuz I will be there  
So we've got each other in the dark

Gb Db  
As I look into the sky  
F Gb  
There's sparks bright as ice  
Db F Gb  
You want me to take you over there

Db  
I want you to stay with me  
F Gb  
Cuz you're not the only one  
Db F  
The only one

F  
No, no  
Db  
Don't worry  
Eb F  
You're not the only one

( F Db Eb Db F )

Cuz if it's coming for you  
Then it's coming for me  
But I will be there  
Cuz we need each other in the dark  
And if it's panicking you  
Then it's panicking me  
But I will be there  
So we've got each other in the dark  
( F Db Eb Db F )

In the dark  
In the dark  
We'll need each other in the dark

( F Db Eb Db F )

In the dark  
In the dark  
We'll hold each other in the dark

Now we're saved together in the dark

Cuz we've got each other in the dark
