

# Djalma Lucio Ayres - Troublesome

Tom: D

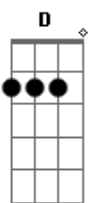

I don't wanna <sup>D</sup> another lullaby <sup>Gm7</sup>  
 And please don't try to see a dragon in my eyes because you won't <sup>C</sup>  
 As I wonder what it's all about <sup>Gm7</sup>  
 I realize you're gonna get into my mind <sup>C</sup>  
 You come and go <sup>D</sup>  
 And I start losing track of time <sup>Am7</sup>  
 Now I beg you, get away from me <sup>Ab7</sup>  
 With all this load in my head, what's gonna be? <sup>Em</sup> <sup>A7M(#5)</sup>  
 I don't trust you and you can't stay here <sup>D</sup> <sup>Gm7</sup>  
 You know the drill, You're always looking for someone <sup>C</sup>  
 You're so alone <sup>D</sup>  
 I remember frightened all those years <sup>Gm7</sup>  
 Don't say I fear falling love once again <sup>C</sup>  
 Watch your tone <sup>D</sup>  
 I don't really know what you mean <sup>Am7</sup>  
 When you say the thing drives you mad <sup>Ab7</sup>  
 ?Cause if there's someone mad now <sup>Em</sup>  
<sup>A7M(#5)</sup> <sup>D</sup>

That someone will be me  
 In summertime you got no reason to remind to decide <sup>Em</sup>  
 If you are here, if you are there, If you are gone <sup>Em</sup>  
 One never knows, I can assure you <sup>D</sup>  
 I've put aside all the songs I was to do to you <sup>A</sup>  
 You know, I'm not your pawn <sup>D</sup>  
 But now the winter is coming  
 Doors are closed, no one around  
 Where are the parties, the parades, where to go? <sup>Em</sup>  
 The solitude is your companion into the night <sup>A</sup>  
 Until you find your only shelter from the snow <sup>A7M(#5)</sup> <sup>D</sup>  
 Oh, here we go again <sup>D</sup>  
 The smell of lies, one can feel it here all around <sup>Bm7</sup>  
 No room for cheating, no one else is coming <sup>Em7</sup>  
 Cross your heart  
 Again she saying ?you don't have to be so cruel <sup>A</sup>  
 I wanna be with you?  
 Until the other night I rang the bell trying to reach out <sup>D</sup>  
 She was never home <sup>Bm7</sup>  
 She changed her number and defined me as troublesome <sup>Em7</sup>  
 All of a sudden we are here, all is good and she is in the mood <sup>A</sup>
